Dear Ms. Rodriquez:

This responds to Licensee's *Request*,¹ for waiver of the penalty and charges for the late payment of the Fiscal Year (FY) 2010 regulatory fee. For the reasons stated herein, we deny the *Request*; however, we acknowledge Licensee's request to pay the fees in installments, and in separate correspondence, we provide our decision.

Under 47 U.S.C. § 159 and the Commission's implementing rules, we are required to "assess and collect regulatory fees" to recover the costs of the Commission's regulatory activities,² and when the required payment is received late or it is incomplete, to assess a penalty equal to "25 percent of the amount of the fee which was not paid in a timely manner."³ Specifically, "[a]ny late payment or insufficient payment of a regulatory fee, not excused by bank error, shall subject the regulatee to a 25 percent penalty of the amount of the fee ... which was not paid in a timely manner."⁴

¹ Email from Sonia Sidhu Rodriquez, Radio Fiesta Corp, dba KAZA Radio Broadcasting, to ARINQUIRIES (ARINQUIRIES@fcc.gov) (Jun. 20, 2013) (*Request*).

² 47 U.S.C. §159(a)(1); 47 C.F.R. § 1.1151.

³ 47 U.S.C. §159(c)(1); 47 C.F.R. § 1.1164.

⁴ 47 C.F.R. § 1.1164.

Each year, the Commission establishes the final day on which payment must be received before it is considered late, *i.e.*, a deadline after which the Commission must assess charges that include the statutory late payment penalty required by 47 U.S.C. § 159(c)(1) and 47 C.F.R. § 1.1164, as well as interest, penalties, and charges of collection required by 31 U.S.C. § 3717 and 47 C.F.R. § 1.1940. For FY 2010, the deadline for paying regulatory fees was August 30, 2010.⁵ We did not receive Licensee's payment by that deadline, thus we assessed the mandatory penalties, and when the debt remained delinquent, we assessed additional charges. Now, Licensee's asserts that "there was a ... dispute over double billing for 2010[, but now Licensee is] told that the double billing was ... for 2009 [Licensee] was misinformed every time [Licensee] called to pay up[, thus Licensee requests that the penalty and charges] be waived."⁶

When we evaluate such matters, we look to whether the *Request* petitioning for a waiver of the statutory penalty and accrued interest, penalty, and charges of collection establishes the existence of bank error or presents legal grounds or clear mitigating circumstances to waive collection of the penalty. Licensee's *Request* does not.

The Commission has repeatedly held that "[l]icensees are expected to know and comply with the Commission's rules and regulations and will not be excused for violations thereof, absent clear mitigating circumstances."⁷ As we discuss below, the Commission does not send reminder notices by mail or email, so the absence of such notice is not an excuse. Indeed, beginning in 2009, the Commission provided ample notice that it would not be sending paper pre-bills to regulatees.

For example, on May 14, 2009, the Commission proposed to mandate electronic filing of regulatory fee information through the agency's Fee Filer system.⁸ The Commission explained that, "[c]onsistent with [its] proposal to require mandatory use of Fee Filer ... pre-bill information would be loaded into Fee Filer for viewing, but would not be mailed directly to the licensee via surface mail."⁹ On July 31, 2009, the Commission released its order adopting these proposals,¹⁰ and notifying regulatees that "because all pre-bills will be loaded into Fee Filer, once Fee Filer becomes operational, this will be the signal by which licensees can view their pre-bill information online."¹¹ Thereafter, the Commission issued a public notice informing regulatees that use of Fee Filer was mandatory in FY 2009 and that "regulatory fee bills will no longer be mailed to the regulatee, but can be viewed by logging on the Fee Filer."¹² Finally, on September

2, 2009, the Commission released a third public notice that **"HARDCOPY BILLS WILL NO LONGER BE MAILED BY THE FCC."**¹³

Similarly, in 2010, the Commission's final order on the FY 2010 regulatory fees reaffirmed that regulatees should "check[] the Commission's website periodically beginning in July" in order to "ascertain the fee due date, and receive instructions on how to access Fee Filer, view their bill, and make a fee payment."¹⁴ This notification was part of the Commission's increased effort to notify licensees that hardcopy bills will no longer be mailed.¹⁵

Every licensee is obliged to make the fee payment by the deadline. Although the Commission has waived late fees on a showing of good cause, neither the statute nor the Commission's regulations contemplates a waiver of or reduction in the late payment penalty based on inadvertent failure to follow the Commission's requirements or based on a particular passage of time after the deadline within which the regulatee satisfies its payment obligations. Indeed, the penalty for late payment applies even to situations where the deadline is missed by a short period.¹⁶ Furthermore, the penalty required by 47 U.S.C. § 159(c)(1) and charges required by 31 U.S.C. § 3717 are not limited to situations where the failure to pay was knowing or willful. If the penalty it is to be waived, it is "only in the most extraordinary circumstances,"¹⁷ which Licensee did not establish. Moreover, the Commission has "reject[ed] the contention that the size of the penalty was disproportionate to the lateness. Congress mandated that an additional charge of 25 percent would be assessed as a penalty for all late payments of fees required by Section 9."¹⁸ Thus, we deny the *Request*. Separately, however, we will provide Licensee with our decision on the request for an installment plan.

If Licensee has any questions concerning this matter, please call the Revenue & Receivables Operations Group at (202) 418-1995.

Sincerely,

Mark Stephens
FCC Chief Financial Officer
